Basel, Switzerland (June 19, 2016) - The Haven Resort Hotel & Residences added another feather to their cap by bagging two more prestigious awards to further boost their collection of thirty-six national and international accolades.

The latest, 2016 World Luxury Restaurant Awards, added these two categories to the resort hotel's string of accolades:

- 1) Luxury World Wedding Venue (Global Winner)
- 2) Luxury Hotel Restaurant (Country Winner)

The Honorary Consul of Malaysia in Basel, Switzerland, Datuk Jeffery Sandragesan, received the two awards on behalf of The Haven at a gala ceremony which took place at Grand Hotel Kronenhof Pontresina in Switzerland on June 18, 2016.

The winners of the 2016 World Luxury Awards were determined based on adjudged merits and on a global voting poll among the finalists. Voting period was from March 7 until April 18, 2016.

The Halal-certified Cuisines, one of the F&B outlets within The Haven, is well known for its wholesome, healthy menu, where food is prepared with the freshest of ingredients and without preservatives, monosodium glutamate (MSG) or artificial additives.

In addition to Asian, Western and Mediterranean cuisines, it serves the best of local favourites such as Ipoh Chicken Rice, Singapore Laksa, Cantonese-style Wat Tan Hor (noodles), Nasi Lemak and Seafood Char Kway Teow. The menu lists at least 80 dishes to the delight of its guests.

Set in a pristine natural environment, the restaurant boasts an al fresco section which overlooks a calm lake ringed by untouched limestone hills and the 280 million-year-old beauty of a limestone rock named Rockhaven.

In short, The Haven and its restaurant, The Cuisines, offers an extraordinary natural ambience and a healthy exciting array of culinary favourites, a combination and an experience unmatched by any other hotel venue or restaurant.
