## CREATURES OF THE JURASSIC AGE

### MEDIA RELEASE

## **NEW JURASSIC DINOSAURS ATTRACTION COMES TO LIFE AT MaTiC KUALA LUMPUR**

Malaysia Tourism Centre is set to host its biggest ever event, when *Dinosaurs Alive in Kuala Lumpur* takes over the MaTiC Lanai precinct, right in the heart of the city.

In an amazing pop-up Jurassic theme park under the Big Top, *Dinosaurs Alive in Kuala Lumpur* brings to life the greatest creatures ever to walk the earth in a thrilling, interactive exhibition.

Get ready to hear, see and feel the might of over 40 Jurassic creatures in an amazing family entertainment and immersive educational experience.

You won't believe your eyes as animatronic dinosaurs spring to life in the Jurassic forest. This is a not-to-be-missed journey of discovery through 165 million years when dinosaurs dominated the earth.

Watch them move. Hear them roar! And get up close and personal with the most infamous of prehistoric creatures, the colossal Tyrannosaurus Rex, in this captivating, unimaginable lost wonderland.

Here, children can also become paleontologists, chipping away to unearth their very own fossils and making other exciting discoveries.

With many fun activities, including dinosaur art and craft, fossil displays, entertainment and kids' amusements, *Dinosaurs* is an unforgettable family experience.

*Dinosaurs Alive in Kuala Lumpur* opens at the Lanai precinct of Malaysia Tourism Centre (MaTiC) in Jalan Ampang on Friday 14 July 2017, from 10am to 10pm, for a six-month season.
