THE CITY'S MOST LUXURIOUS BOUTIQUE HOTEL OPENS IN SEPTEMBER 2008

Kuala Lumpur, 4th July 2008 - Following extensive 16 months renovation, The Club at The Saujana Kuala Lumpur is finally ready for its opening on 1st September 2008. This marks the welcoming of the city's finest and most luxurious boutique hotel. Having been just accepted to become a member of The Leading Hotels of the World (LHW), this 105-rooms boutique resort will offer five-star service standards and an array of complimentary amenities that aims to set The Club at The Saujana apart from its competitors. Jaya Ibrahim of Jaya & Associates, an award-winning Indonesian interior designer, is the creative mind behind the total design experience of The Club at The Saujana.

The Club at The Saujana is nestled amidst 160 hectares of lush tropical gardens, scenic beauty and is surrounded by two 18-hole championship golf courses. Strategically located 30 minutes from Kuala Lumpur city center and 35 minutes from the Kuala Lumpur International Airport (KLIA), the resort's architecture, interior and outstanding accommodation reflects a contemporary Asian style incorporating local design elements.

The boutique resort offers rooms ranging from smartly appointed Executive Club Rooms and Terrace Studios to spacious, design-focused Suites reflecting the perfect combination of modern style and understated elegance. Comprised primarily of terrazzo floors, marble and Burmese teak wood, the hotel is unabashedly modern, epitomizing contemporary design. Lavish and spacious bathrooms overlooking the gardens feature terrazzo bathtubs and rain forest showers. With the focus on ambient tones, personalized service and attention to detail, guests can enjoy the five-star service standards beyond their expectations.

Various complimentary services guests can enjoy include personalized check-in/out and concierge club services, special welcome drink of the day, all day coffee and tea and evening cocktails and canapés at The Lounge. All rooms also include daily buffet breakfast at The Restaurant, complimentary mini-bar and WIFI Internet access in the rooms and all public areas (including the pool area). Staying at The Club at The Saujana will not be complete without our premium *Anore* bath amenities of *Italy*, which has been specially designed for the hotel. For those in the superior, deluxe and executive suites, guests also avail complimentary two-way airport transfers.

The Restaurant with an adjoining terrace, overlooking the garden and water feature which compliments the unique ambiance of the hotel offers all day dining with an open kitchen concept serving creative European and Asian delights. Serving a wide variety of refreshments, cocktails, light snacks and afternoon tea, The Lounge is a calm haven to relax where it emphasizes on fine living.

The Club at The Saujana also offers a 39-meter long swimming pool and state-of-the-art boardrooms for the exclusive use of in-guests. The Spa Suite is a haven for luxurious pampering and optimal relaxation where guests can indulge various massage and beauty treatments. In addition, the hotel also offers in-room spa treatments on request. A fully equipped fitness center is also conveniently located at The Saujana. In addition, two world-class and award-winning golf courses designed by Ronald Fream and tennis and squash courts are located within the vicinity at The Saujana Golf & Country Club.

As part of, and located right next to The Saujana Kuala Lumpur, guests of The Club at The Saujana can also avail to seven other restaurants. The Saujana Kuala Lumpur offers a wide variety of dining venues, including the all day dining *Suria* serving local and western specialties, *Senja* restaurant which serves fine Italian cuisine and is situated above a man-made lake, the popular *Kogetsu* Japanese restaurant, Ti Chen serving home-cooked style Chinese cuisine, Golfer's Terrace and Bayu Lounge. In addition, guests can unwind at the unique *Rumah Peranakan* Entertainment Center with live band, cigar bar and wine cellar.

Locally owned, The Club at The Saujana Kuala Lumpur is managed by Singapore-based General Hotel Management (GHM) Limited. GHM, a luxury hotel management and development company, is the market leader in conceptualizing, developing and operating a selection of exclusive hotels and resorts worldwide. GHM manages a portfolio of three brands including highly regarded properties such as The Datai in Langkawi, The Setai in Miami, The Chedi hotels and The Serai hotels worldwide.
