**PUTRAJAYA, MALAYSIA** – February 6, 2024 – [Moxy Hotels](#), part of Marriott Bonvoy's portfolio of over 30 extraordinary hotel brands, announced the soft opening of [Moxy Putrajaya](#), marking the brand's exciting debut in Malaysia. True to the brand's experiential reputation, Moxy Putrajaya introduces a fresh burst of energy, stylish creativity, and social hospitality, catering to those who live life on the go.

Located in Putrajaya, the administrative capital of Malaysia and famed for its late-20th-century architecture, Moxy Putrajaya stands out as a cultural hub situated just steps away from IOI City Mall, Southeast Asia's retail giant. The hotel positions itself as a basecamp for fashionistas and thrill-seekers, with easy access to major retail therapy and exciting entertainment options, including a futuristic indoor theme park. The hotel is in proximity to Kuala Lumpur International Airport and major highways connecting Klang Valley and beyond, placing guests in the perfect spot to explore the area's amenities with ease.

"We are delighted to continue to grow our portfolio and introduce the energetic Moxy brand to Malaysia with the soft opening of Moxy Putrajaya. Not only is Putrajaya Malaysia's beautiful administrative capital, it is also a city of iconic attractions and urban excitement, making it the perfect destination for a spirited brand like Moxy. We look forward to welcoming our fun-hunters to experience Moxy's young-at-heart spirited take on hospitality," says Ramesh Jackson, Area Vice President – Indonesia and Malaysia, Marriott International.

### Architecture, Design + Amenities

The hotel's bright and open lobby layout paired with contemporary furniture invites guests to explore. Designed as a multi-functional work and interactive social space, the "Plug and Meet" gathering areas provide modern ergonomic seating, large graphic design walls, and 55-inch televisions. The lobby boasts a state-of-the-art digital video wall and 24/7 food and beverage offerings. Weathered timber strip ceilings incorporated with the latitude and longitude numbers of the hotel's location adding a fun visual element.

As guests step into Moxy Putrajaya's 480 guestrooms they are greeted by the unexpected. Army camouflage print meets sports car-inspired art for a stay that's as vibrant as it is functional. To optimize space, guestrooms feature a peg wall for clothing organization, table and chairs that hang to the wall, and under-bed storage. Guests discover designs inspired by Putrajaya landmarks – the steel bridges of Putrajaya are reflected in the guestroom numbers; wall graphic designs are based on the geometry of its buildings and some rooms oversee the scenic greens of the Palm Garden Golf Club. From check-in to check-out, Moxy Putrajaya's unexpected design elements, combined with the hotel's communal spaces and central bar promote interaction, vibrancy, and fun. Moxy Putrajaya is the springboard to explore, discover, and share experiences with locals and visitors alike.
