Espresso how much you love them with coffee and desserts

Dessert is synonymous with the word love (in my book anyway!). Why not spend the day indulging in lip-smacking dessert and coffee, by taking away from Union Artisan Coffee? We could not think of a sweeter thing to do with your partner!

How sweet it is to be loved by you

Sweet treats for the sweetheart

Nothing says "I love you" quite like chocolate! Buy a sweet treat for your sweetheart at Beryl's, from their sinful dark chocolate to their assorted chocolate that includes black and white, mint and bitter, strawberry, and black bitter. This sweet gift will surely melt your heart!

La vie en rose Valentine

Pamper your love with a rose and green tea scented anti-aging body and face spray, and a bouquet of rose soap flowers. The best thing is that these roses will never wilt... Unless you wash your hands with them!

Never bored when I'm with you
