PRESS RELEASE

TOURISM PUBLICATIONS PROVIDE INSIGHT INTO MALAYSIA’S TOURISM PERFORMANCE

LABUAN, 19 DECEMBER 2014: In the first quarter of this year, Labuan recorded an average occupancy rate (AOR) of 67.1%, making it the state with the third highest hotel occupancy after Pahang (76.9%) and Kuala Lumpur (68.5%).

About 80% of the Federal Territory’s annual hotel guests are Malaysians who check in at among the 40 hotels in the area.

Within a span of ten years, Malaysia has nearly double the number of hotels from 1,568 in 2003 to 3,094 in 2013. Occupancy rates have increased as well; from 53.3% AOR in 2003 to 62.6% AOR in 2013, a ten percentage point increase in a decade.

These figures were revealed at a recent meeting that Tourism Malaysia held with hoteliers to share the findings of their surveys.

As a result of this and other recent surveys carried out, Tourism Malaysia has published three books on Malaysia’s tourism industry, i.e. the Malaysia Accommodation Directory 2014, Malaysia Tourism Key Performance Indicators 2013 and Malaysia Tourists Profile 2013 by Selected Markets, giving in-depth information that would help industry players to measure their performance and develop strategies to move forward.

The publications are the result of data gathered from sources such as the Immigrations Department of Malaysia, Ministry of Tourism & Culture, Malaysia Association of Hotels, Malaysia Budget Hotel Association and local authorities. Findings from various surveys conducted by Tourism Malaysia such as the Departing Visitors Survey, Hotel Occupancy Rates Survey and Hotel Facilities Survey are also presented in the three publications.

Besides tourist arrivals and receipts, the publications also examine such things as when people prefer to travel, which states they like to visit, what activities they engage in during their stay in Malaysia, how much they spend on various aspects of a holiday, etc. Information on hotel occupancy rates, flight connectivity to Malaysia and the Malaysia Homestay Experience programme are also shared.
The publications are useful for potential investors, tourism industry trade players, academics, media and those interested in Malaysia’s tourism industry. All the books are priced at RM50 except for the Malaysia Accommodation Directory 2014 which is RM80. They can be purchased at Tourism Malaysia (Finance Division) in Putrajaya, tel: +603 8891 8000.

MALAYSIA TOURISM PROMOTION BOARD OR TOURISM MALAYSIA is an agency under the Ministry of Tourism & Culture, Malaysia. Tourism Malaysia focuses on the specific task of promoting Malaysia at all levels. Since its inception, Tourism Malaysia has grown by leaps and bounds and it has emerged as a major player in the international tourism scene. In 2013, Malaysia registered 25.7 million tourist arrivals and RM65.4 billion in receipts, making tourism its second largest foreign exchange earner and the sixth highest contributor to its Gross National Income (GNI).

Malaysia is celebrating its fourth VISIT MALAYSIA YEAR (VMY) in 2014 with the theme “Celebrating 1Malaysia Truly Asia”. The promotion of the country continues with the MALAYSIA YEAR OF FESTIVALS (MyFEST) campaign in 2015 with the theme “Endless Celebrations” emphasising the various festivals celebrated by its multicultural society. Both campaigns are key drivers towards achieving the country’s target of 36 million tourist arrivals and RM168 billion in receipts by 2020, as outlined in the Tourism NKEA (National Key Economic Area).
Through the Tourism NKEA, collaborative efforts between the Ministry of Tourism and Culture, other Government agencies and the private sector have been enhanced to help secure Malaysia’s position as a leading tourist destination. The targets set under the Tourism NKEA will be achieved through the implementation of twelve Entry Point Projects (EPPs) clustered under five themes: Affordable Luxury; Nature Adventure; Family Fun; Events, Entertainment, Spa and Sports; and Business Tourism.
